

AutoCAD 2016 and AutoCAD LT 2016 Essentials: Autodesk Official Press

By Scott Onstott

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, AutoCAD 2016 and AutoCAD LT 2016 Essentials: Autodesk Official Press, Scott Onstott, Learn AutoCAD 2016 quickly and painlessly with this practical hands-on guide AutoCAD 2016 Essentials gets you up to speed quickly, with hands-on instruction on the program's core features and functions. This new edition provides more manufacturing and landscape examples, a stronger emphasis on skills rather than tools, starting and ending files for every exercise, and a more clearly defined layout that separates the step-by-step instructions from the "why" discussion. Based on the real-world task of designing a house, the hands-on exercises help you quickly develop confidence and become productive with the software as you master the major 2D functions and move into 3D modeling. From layout to presentation, this in-depth guide takes you through the entire design process, and provides downloadable data so you can compare your work to the pros. If you're preparing for AutoCAD certification, this book is the ideal study guide and the only one officially endorsed by Autodesk. This book is your unique learning resource that features concise, straightforward explanations and hands-on exercises. Each chapter opens with a quick discussion of concepts, and...

Reviews

The best book i at any time read. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this book to understand.

-- Raina Simonis

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).
