Thoughts hold much more power than ever imagined, constantly playing a major role in what occurs in life. Energy surrounds us. One of the ways we form this energy is by thinking. A change in how we look at things makes it possible to change everything, including our state of mind and body. Maintaining a positive attitude is the first step to health for good thoughts manifest good things. Another way to gain peace of mind, better health, and a more joyful life is to pray. Repeating the structured prayers (Spiritual Mind Treatments) within Prayer Treatments can result in positive affects to our point of view, and inner health, because they help us to recognize and turn to the power of Wholeness within. We then lift thoughts to union with Creation. After all, we are that of which It is. We just forgot! From the Author: Many of these Spiritual Mind Treatments helped me to increase positivity and spiritual growth. They helped to deal with and, eventually, heal dis-ease. My reality changed from fragmentation to wholeness, by transforming...
