

## Animation for Kids with Scratch Programming: Create Your Own Digital Art, Games, and Stories with Code (Paperback)

By Danny Takeuchi

Mentorscloud LLC, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Think Logically. Present Artistically. The myth: Programming is only for kids who are good at math and science. The reality: Anyone can learn how to code. Kids with an artistic bent and curious minds can give life to technology that shapes our daily experience. Don't believe it? Give this book a try! It will prove to be the best investment for your kids. This book teaches kids how to create animations and games with code. No big words or scary concepts. Only step-by-step, visual programming laced with digital art, games, and storytelling projects. It starts with programming fundamentals, then covers animation techniques, and ends with complete animation examples. It is a great art and code mixer. Animation for Kids with Scratch Programming is the perfect first taste that any budding programmer could fall in love with. This book has three sections: Section one starts with simple projects to help students learn basic programming concepts. Those projects give students hands-on learning experience in developing their own games and animations. Section two provides students with animation techniques to...
