Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Shakespeare's Mistress: Historical Fiction, Karen Harper, England, 1601. When Queen Elizabeth's men come looking for William Shakespeare - a rumoured Catholic in a time of Catholic-Protestant intrigue and insurrection - they first question a beautiful, dark-haired woman who seems to know the famous playwright very well. Too well. She is Anne Whateley, born in Temple Grafton, a small town just up the river from Shakespeare's hometown of Stratford-upon-Avon. And as church records show - were anyone to look for them - Anne Whateley was wed to William Shakespeare in a small country church just days before he married another woman, Anne Hathaway, who has lived as his wife for decades. In "Shakespeare's Mistress", Anne Whateley - who may or may not be Will's true wife - tells her story. Stretching almost fifty years, from the rural villages of Warwickshire to the bustling city of London, with its teeming streets and lively theatres, it's a story of undying passion, for life, love, and literature.
