

Prostate Cancer Asking the Right Questions (Paperback)

Filesize: 1.74 MB

Reviews

It is not difficult in go through easier to understand. It normally fails to price too much. I am very happy to inform you that this is actually the greatest ebook i actually have read through within my personal lifestyle and can be he best publication for ever.

(Miss Ebony Brakus IV)

PROSTATE CANCER ASKING THE RIGHT QUESTIONS (PAPERBACK)

[DOWNLOAD](#)

Fertile Ground Press, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.During my journey with prostate cancer, I learned that the medical community was selling and I was buying. With prostate cancer you are a consumer, and it is essential that you are aware of the following: 1. Prostate cancer is not just a disease; it is big business. 2. There is no single preferred treatment endorsed by the medical community. 3. There are new lower risk treatments and diagnostic capabilities that many doctors are unaware of or ignore. 4. You must be prepared to ask the right questions to increase your chance of having a good outcome. There are no easy answers when it comes to prostate cancer, but asking informed questions will help light your way, and hopefully either affirm your choices or lead you to a good decision. Read the book, use the prostate cancer check list as a guide, and become your own advocate. Remember, your doctors and your friends will not live with the consequences of your treatment. This burden will be born by you and you alone. Be sure to ask the right questions before selecting a form of treatment.
