Captivated to want more from just a traditional book? Want a new style that won't bore you from cover to cover? Mentally buckle up because I am going to drive you right out of your comfort zone. Prepare yourself for a seductive, adventurous collection of tales for all genres. This book has something tantalizing and delicious for any reading palate to taste and savor. If you are looking for something to test the bounds of your reality and not follow mundane rhetoric, look no further. Consider yourself unable to relate to a book stuck in only one generation? Then consider the solution now found with tales that can be related to no matter the generation. If you seek having your inner desires granted with a blend of fact and fiction that will trance your mind from no longer knowing the difference, simply read the introduction within and feast to your heart's content. What you hold currently goes beyond simple animalistic nature. My picture may have enticed you to pick this up, but it s...
