Brendan Cole burst onto the art scene in a blaze, creating erotic works of art from beautiful women. Recently, though, reviews suggest that his brilliance is burning out. He knows what's missing--inspiration. He lost it the day his ex-lover and muse, Ashley Mancuso, walked out on him. Together, they can once again create the erotic images that will silence the critics forever. When Ashley runs into Brendan at an art gallery, their attraction is as hot as ever. Though she swore to never again take second place to his art, she finds herself agreeing to an impromptu photo shoot. Once in front of his lens, five long years of suppressing her kinky side melts away--and shakes her resolve to keep it strictly business. One spellbinding session after another makes it impossible to resist talking of fantasies and long-buried desires. But once the images hit the gallery walls, all the fears and insecurities that drove them apart create a rift wide enough for danger to find its way in. . . Warning: Contains a sexy, tortured artist, his gorgeous muse, and a string of pearls that creates one very erotic BDSM fantasy. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
