Learn to Weld: Beginning MIG Welding and Metal Fabrication Basics (Hardback)

By Stephen Christena

Crestline, United States, 2015. Hardback. Book Condition: New. 262 x 211 mm. Language: English . Brand New Book. Master MIG welding and the metal fabrication techniques you need to repair, create, and duplicate projects in your home welding studio. Learn to Weld starts with the basics: setting up your studio, the right safety gear and safety procedures, and the equipment and materials you will need to begin with welding. With the help of step-by-step metalworking photos and tutorials, you will learn detailed techniques for cutting and grinding, and for joinery using a MIG welder. Practice the techniques and projects, and you ll soon be able to repair, create, and duplicate metal fabrication projects in your own welding studio. Best of all, you will have both the fundamental skills and the confidence you need to create whatever is in your imagination. With Learn to Weld you ll be equipped to conquer a world of welding projects.
