Brand New Book ***** Print on Demand *****.Excerpt from Measurements for the Household If you are engaged in this industry you should - Trade with dealers who have accurate and sealed weighing and measuring devices. Check up all goods received, to ascertain if full quantity has been delivered. Purchase package goods which are legibly marked on the outside of package with the net quantity which it contains. See that your milk and cream bottles are filled to the cap or stopple. The coal dealer is required by law to deliver to you a sworn statement as to the weight delivered. See that you receive such a certificate. If any coal dealer neglects to give you a certificate stating the number of pounds contained in a load that is being delivered to you, the local sealer of weights and measures should be promptly notified. In purchasing ice be careful to ask for a certain weight of ice, viz., 50 pounds, 75 pounds, 100 pounds, and do not be content to accept 10-cent, 20-cent, 30-cent pieces. In purchasing meats request that all trimmings be included with...
