Reviews

It is one of my personal favorite pdf. Of course, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

It is part of that complex working towards freedom which may be described as the revolt against authority. It is merely one facet of that speculative spirit of an innovation, which in the sphere of action produces democracy and revolution, and in that of thought is the parent of philosophy and physical science; and its importance as a factor of progress is based not so much on the results it attains, as on the tone of thought which it represents, and the method by which it works. Being thus the resultant of forces essentially revolutionary, it is not to be found in the ancient world among the material despotisms of Asia or the stationary civilisation of Egypt. The clay cylinders of Assyria and Babylon, the hieroglyphics of the pyramids, form not history but the material for history. The Chinese annals, ascending as they do to the barbarous forest life of the nation, are marked with a soberness of judgment, a freedom from invention, which is almost unparalleled in the writings of any people; but the protective spirit which is the characteristic of that people proved as fatal to their literature as to their commerce. Free criticism is as unknown as free trade. While as regards the Hindus, their acute, analytical and logical mind is directed rather to grammar,...
