Manhattan Review, Inc., United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Critical Reasoning is a skill used in some form or another every day, but it is one that must be absolutely mastered as you prepare for the Graduate Management Admission Test (GMAT). Manhattan Review has created the GMAT Critical Reasoning Guide to enable you to do that. Beginning first with the basics of critical reasoning, this book systematically builds the strong foundation required to tackle - and triumph over -- these test questions. We provide 200 representative questions on which you will hone your new skills. The guide teaches you to understand argument logic and unlock the underlying structure in order to analyze it faster, more efficiently, and with greater accuracy. Our diagramming methods give you further advantage in your test preparation. Simply put, this guide is your key to success in the Critical Reasoning section of the GMAT. About the Series: The Turbocharge Your GMAT Series is designed to be clear and comprehensive. Since its conception in 1999, it is considered the gold-standard in GMAT prep. The complete series is designed to be your best GMAT test prep companion as you navigate the road to a successful outcome. Manhattan Review has created these guides to lead you through the complexities of the examination and achieve your best possible result. As so many students before you have discovered, our books break down the different test sections in a careful, clear manner and zero in on exactly what you need to know to raise your score! About the Author: Professor Joern Meissner, the founder and chairman of Manhattan Review has over twenty-five years of teaching experience in undergraduate and graduate programs at prestigious business schools in the...
