## Nuclear Shadow

By CHARLES MEIER

Paperback. Book Condition: New. Paperback. 336 pages. Nuclear Shadow by Charles Meier Amid the secret confines of the Department of Energy's Nevada Test Site, an area larger than Rhode Island, is Able Site, a mysterious restricted area that has nothing to do with nuclear testing. When geologist Jeff Rawlings and archeologist Karen Isaacson's environmental reporting becomes a threat to expose a clandestine silver mining operation at Able Site, a tragic accident is devised to silence them permanently. Narrowly escaping the attempt on their lives, the fate of the two depends upon finding a route across the vast, desolate, and rugged terrain of the site to reach Area 51, the only area not under the control of their relentless pursuers. Fear and desperation foster deeper emotions between Jeff and Karen amid a cat and mouse game where safety and sanctuary remain elusive. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
