Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Look at organizational transformation in a revolutionary new way that can help you promote a higher level of sustained performance. Author John L. Lee, a veteran business consultant and the president of Alpha Training and Consulting, provides inspiring and informative techniques that help you improve business operations. You can learn how to understand and modify bad behaviors, formulate a true definition of leadership, and create a model that leads to cultural change. This guide includes figures and diagrams and provides a mathematical argument for why organizations must change in order to further progress. It examines historical figures whose insights have changed the world--and what you can learn from them. Much more than a rehash of old ideas introduced in flashy new clothing, this guide seeks to revolutionize thinking for organizational needs. If you're interested in organizational and self-improvement, the Rising above It All guidebook provides the case studies, tips, and strategies you need to produce results.
