Brand New Book ***** Print on Demand *****.Excerpt from Children in Christ: Or the Relation of Children to the Atonement, the Ground of Their Right to Christian Baptism I examined the manuscript of this book with care. I believe it to be the best presentation of the subject that I have ever seen. The author is a polemic of acknowledged ability, and writes con-amore. I commend this volume to all lovers of truth. Those who believe in infant baptism will have their faith strengthened; those who have doubts on the subject will have those doubts removed; and those who are opposed to infant baptism will find arguments here that they can not answer. May the author and his readers so love and practice the truth, as it is in Jesus, that they may all meet in the home prepares for the righteous.
