Excerpt from Notes on the Problems of Extreme Individual Differences in Children of the Public Schools: A Report to the Superintendent of Public Schools Concerning a Preliminary Study of the Problems of Exceptional Children and of Certain Related Questions; An Inquiry Begun Through the Cooperation of Teachers, Principals, Physicians, Social Workers, Psychol In the study of the central tendencies in school of large masses of children by modern statistical methods, New Orleans has little that is new to report in the way of convenient statistical methods or of results. It should also be understood that no claim is herein made that the procedure created in New Orleans for co-ordinating practically the efforts of many kinds of workers in behalf of the individual study of exceptional children is more than a successful, experimental demonstration of a sound principle, in application capable of improvements and wider use. In these notes summarizing the work of a year no excessive emphasis is intended upon the scientific value of the concrete individual studies presented. It is believed, aside from

## Reviews

*I actually started looking at this pdf. it was written extremely properly and valuable. I am very happy to inform you that this is basically the greatest book i have read through during my very own daily life and might be the finest pdf for actually.*
