Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

NAUGHTY IN NICE: A ROYAL SPYNES MYSTERY

[DOWNLOAD](#)

Berkley. 1 Cloth(s), 2011. hard. Book Condition: New. Lady Georgiana Rannoch has once again been called into service by Her Majesty the Queen, in this fifth outing for the penniless aristocrat (34th in line for the throne), from the Edgar, Anthony, and Agatha Awardwinning creator of the Molly Murphy and the Constable Evans mystery series. This time Georgie is sent to Nice on a secret assignment to recover the Queen's stolen snuff box. But all goes awry after Coco Chanel herself invites Georgie who can be a trifle clumsy under stress to take a turn modeling Chanel's new fashions on the runway. And before Georgie can snatch back the snuff box, someone else gets snuffed out."Fans of Peter Lovesey's hilarious books transforming the future Edward VII into an unlikely sleuth will relish Bowen's whimsical fifth Royal Spyness mystery starring Lady Georgiana Rannoch, 34th in line to the British thrown (after 2010's Royal Blood). Bowen successfully melds a whodunit with comedy as few contemporary writers can."Publishers Weekly (starred review)"The best part of this delicious series is the cast of characters (well known and otherwise), led, of course, by the level-headed and stiff-upper-lipped Georgiana, who tackles whatever is in front of her, be it murder or romance, with uncommon relish. A royal romp."Booklist 329.
