By Barbara Anne Syassen

Trafford Publishing, Canada, 2013. Paperback. Book Condition: New. 257 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. Spend some quiet time with nature each day, and take notice of how it helps to make you feel more at peace and in tune with the present moment. The Tree That Talks is a book about spending time with nature, and listening to what it has to say to us. Annabella, the main character enjoys going to the park to spend time with her favorite tree, especially at times when she is feeling sad. The tree talks to Annabella, and gives her a message on How to be Happy and Live in the Moment. The book also contains information for parents, carers and teachers on how to help your children learn the art of visualizing positive thoughts, meditation and prayer and it teaches children how to change a negative thought to a positive one. To teach this message to young children, enables them to focus on positive, constructive dreams which they can take into their teenage years and adulthood. The Tree That Talks is a valuable book to have in your home library as it benefits the...
